

The most technological business card ever

NFC + QR CODE BUSINESS CARDS

01

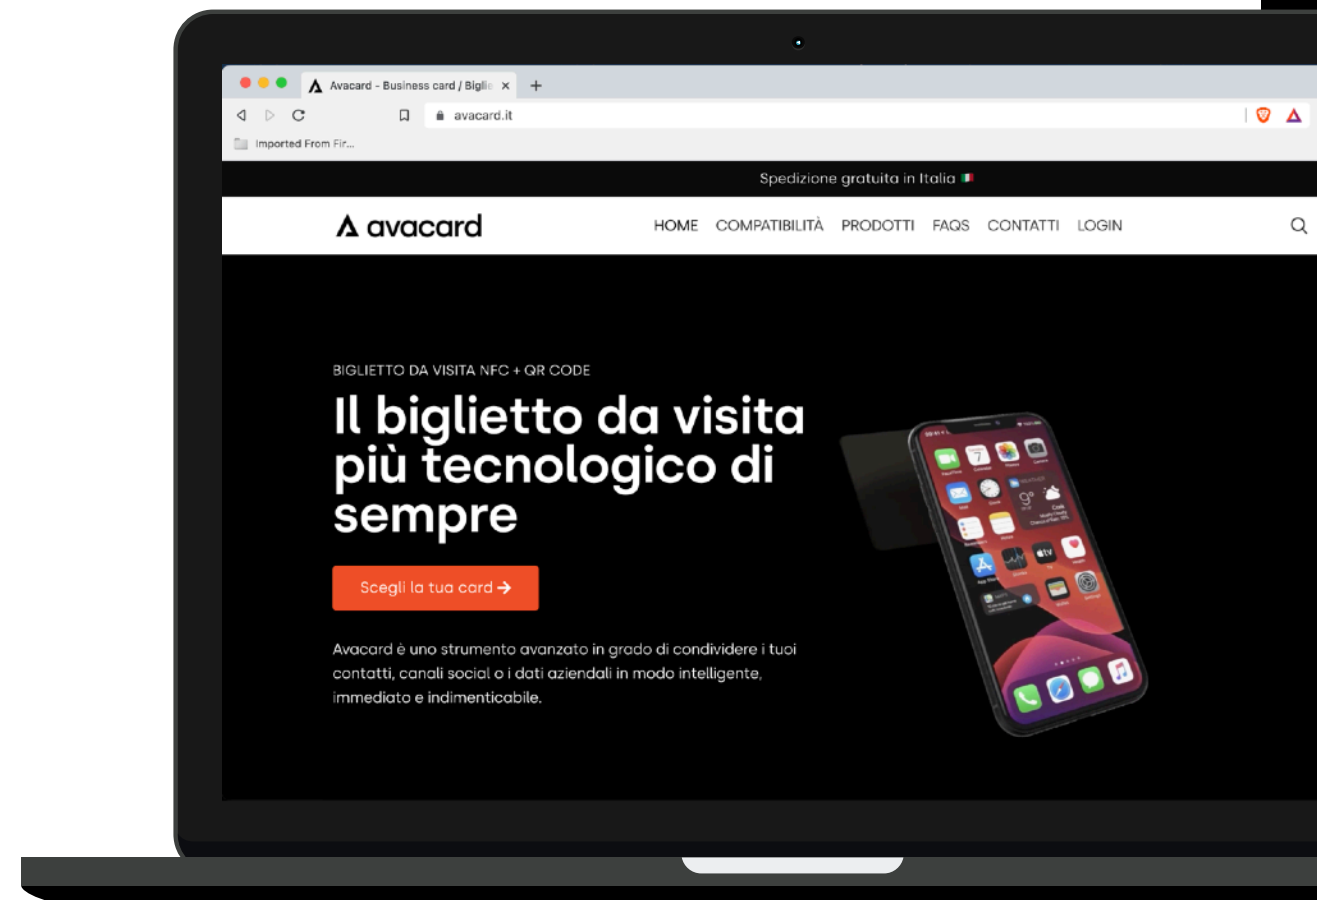

Advanced tool to share your contacts, social media and business details in an intelligent, immediate and unforgettable way.

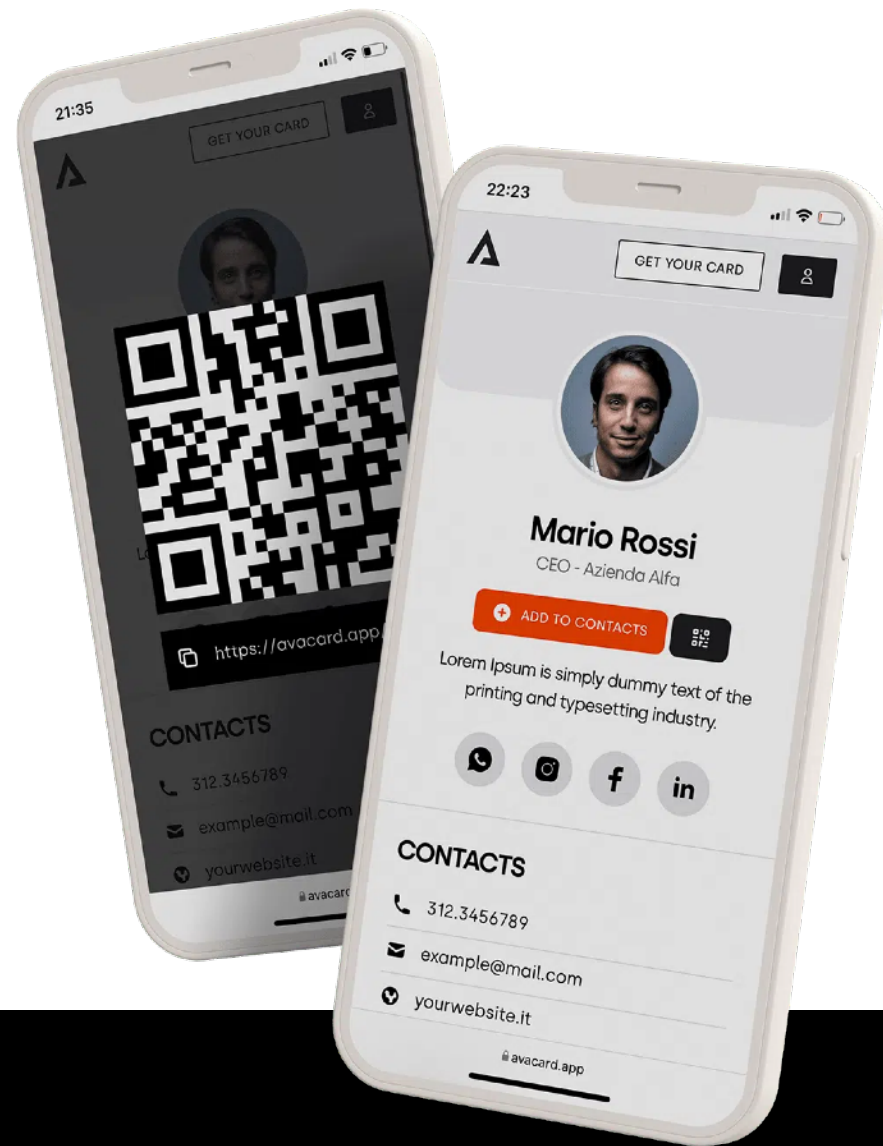

02

You do not have to install any app, neither you nor your clients. You simply have to activate NFC or scan the QR code.

03

Your data will not be used for commercial purposes. We do not track your activities or your clients using your card.

3 ways to share your data

Compatible with all smartphones.
No app required.

1. TOUCH

NFC Technology

Touch the smartphone with the card to share data.

2. SCAN

QR Code

Scan the QR code to share data.

3. LINK

Customized Link

Share the link via email or text message to share data.

Discover Avacard at its highest level

SO BRILLIANT. SO ADVANCED.

- Compatible with Apple and Android
- No app required
- Real-time data update
- Personal data security and privacy

With Avacard, contact sharing is more efficient and intuitive than ever. When you meet a customer, coworker, or new supplier, all you have to do is place the card on your phone or scan the QR code.
